Warmth of Winter Goes Virtual to Assist Seniors in Staying Warm This Winter

Colonie Senior Service Centers, Inc. (CSSC) would like to invite you to join us for this year’s Warmth of Winter event taking place virtually on Thursday, February 25, 2021, from 6:00 p.m. to 7:00 p.m., via Zoom. Warmth of Winter is an annual community event that helps seniors stay warm by raising funds to help defray the cost of heating their homes and assisting them in repairing and maintaining their heating systems. Winter is an especially challenging time for older adults and even more so this year, as they are in their homes and isolated. Last year, with the generous support of the community, CSSC was able to help over one hundred fifty senior households with their heating.

We are proud to have Twin Bridges Waste & Recycling, Crisafulli Bros., KeyBank, Equinox Companies, Janitronics, Teal Becker & Chiaramonte, Bouchey & Clark Benefits, The O’Connor Hazelton Group—Merrill Lynch Wealth Management, R.F. Peck, Herzog Law Firm, Gallagher, Godfrey Financial, Capital Bank, WCGS Architects, HF&C (Haylor, Freyer & Coon), Mazzone Hospitality, CAPCOM FCU, and CBRE-Albany join us as sponsors of this year’s event. Additionally, we are thrilled to have Andrea Crisafulli as the event chair.

While this year’s Warmth of Winter looks very different, by hosting it virtually everyone will stay well, have a front row seat, and be able to enjoy a tote bag filled with sumptuous food and beverage. Virtual guests will also have the opportunity to win wonderful items in the Warmth of Winter online auction and Mystery Wine Pull!

We look forward to seeing you virtually at this year’s Warmth of Winter. Sponsorship opportunities, Honorary Committee memberships, and tickets are available for purchase at www.colonieseniors.org. If you have any questions or need additional information, please do not hesitate to contact Laurie Miedema, CSSC Development Director, at 518-459-2857, ext. 304 or via email at Lmiedema@colonieseniors.org.
Happy February!
National Make a Friend Day (Feb. 11)
Abraham Lincoln’s Birthday (Feb. 12)
Valentine’s Day (Feb. 14)
Presidents’ Day (Feb. 15)
National Love Your Pet Day (Feb. 20)

The word “Friend” is defined as 1) a favored companion; 2) a person attached to another by feelings of affection or personal regard; 3) a person who gives assistance; 4) someone who knows me and loves me just the same.

My earliest recollection of having a true friend was with Marlene Buff (aka Muff). She lived two houses away from me. From what I was told, our mothers were acquaintances and having baby girls two months apart during the summer in the middle of suburbia made them friends. I really enjoyed hanging out with Marlene and her family. Her father was a North Colonie junior high science teacher and was the epitome of “cool.” He enjoyed smoking his pipe and had a great sense of dry humor. He would share tidbits about science and the practicality of applied science, which always fascinated me. For instance, eating moldy bread would not hurt you. In fact, penicillin is a form of mold (who knew?). Her mom, with her wonderful laugh, always focused on her family and graciously often included me. I remember going to Marlene’s maternal grandparents’ home in Cohoes where “Mema” and “Pepa” lived. Mema patiently taught Marlene and me how to crochet colorful granny-squares, which were subsequently made into trivets or blankets. Great, great memories . . .

Marlene moved to Connecticut after high school, but we still stay in touch to this day primarily electronically now. Several years ago, she was a tremendous help when my oldest daughter Frances moved to Connecticut. Nevertheless, is that not what friends do?

As we wind our way out of these crazy times, all of us can be someone’s friend. We all can be patient and kind, positive and understanding. It is never too late to lend a helping hand or a good listening ear.

Please remember CSSC is here for you, and if we can be of assistance, we will.

“The making of friends who are real friends is the best token we have of a man’s success in life.”

– Edward Everett Hale

Be well,

Bright Horizons Bridge to Respite Program

The Bright Horizons Bridge to Respite program will be an extension of the types of activities and service we provide during our adult day social program. Bright Horizons Adult Day Social program is presently closed due to the current pandemic. We have been busy with telephone reassurance and virtual programming for our clients and their caregivers. We want to do more.

We recently secured a grant through the New York State Caregiving and Respite Coalition (NYSCRC) to expand respite services with the assistance of volunteers. Respite will be provided virtually and through socially distanced home visits during the spring and summer. Respite training and PPE provided.

We have three goals for this program: Our first goal is for the clients to receive continuity of care by initially building a bond with staff and volunteers. Our second goal is to provide the mental stimulation from conversations and other activities that promote thinking, concentration and memory. Our third goal is to provide respite to both client and caregiver and provide each of them with a sense of purpose, continued independence and peace.

If you would like to volunteer or obtain more information about this program, please contact Sue Napierski at 518-459-7967 or snapierski@colonieseniors.org.

Remember That Special Someone for Valentine’s Day

Roman Emperor Claudius II (May 10, 214 – January 270) had banned marriage because he thought married men were bad soldiers. Valentine felt this was unfair, so he broke the rules and arranged marriages in secret. When Claudius found out, Valentine was thrown in jail and sentenced to death. There, he fell in love with the jailer’s daughter and when he was taken to be killed on February 14, he sent her a love letter signed “from your Valentine.”

Celebrating Valentine’s Day is a very old tradition, thought to have originated from a Roman festival. The Romans had a festival called Lupercalia in the middle of February; officially the start of their springtime. It is thought that as part of the celebrations, boys drew names of girls from a box. They would be boyfriend and girlfriend during the festival and sometimes they would get married.

Later on, the church wanted to turn this festival into a Christian celebration and decided to use it to remember St. Valentine too. Gradually, the St. Valentine’s name started to be used by people to express their feelings to those they loved.

Allow CSSC to help you remember that special someone. Our Local Bounty Valentine’s Day Basket will contain such items as local fruit, jams, honey, sweet treats and, of course, chocolate. The cost of the Valentine’s Day basket is $35. We will deliver your basket up to ten miles free of charge. To place your order please call 518-459-2857, ext. 305.
A Woman of Distinction – Ruth Peckenpaugh

Ruth Peckenpaugh and her daughter Janis have lived at The Beltrone Living Center since May 2017. Born on March 19, 1933, in Michigan, Ruth grew up on a farm with three siblings, two brothers and a sister. One of her chores as a child was to be a shepherd, leading sheep out to pasture. She enjoyed this chore the most because it allowed her to read a book while the sheep grazed. Ruth was valedictorian of her high school in Lapeer, Michigan. She went on to Wheaton College in Wheaton, Illinois, where she met her future husband and received a Bachelor’s Degree in Nursing.

Ruth always worked. She worked in doctors’ offices, several OB/GYN offices, and was involved in a project in the early 1970s called Project Predict that tested preschoolers for learning disabilities and contributed to the lives of many families being changed in positive ways. Additionally, at one point Ruth also had a part-time job proofreading for a local newspaper.

From 1986 to 1999, Ruth served as the Resident Manager of the Ronald McDonald House at the University of Chicago in Hyde Park. Ruth and Janis were there from day one when the house officially opened on September 13, 1986. They lived in an apartment in the house and were there when a third and fourth floor were later added. The Ronald McDonald House provided a “home away from home” for families whose children required medical care that could not be provided in their own community. With the University of Chicago Medical Center being a research facility, families came from all over the world to stay. Ruth remembers how international these families were with some coming from such countries as Canada, Poland, Greece, Israel, Afghanistan, and Germany. In fact, she distinctly remembers a German family coming to stay in the house the day the Berlin Wall came down.

Ruth explains that most Ronald McDonald Houses have an affiliation with a sports team and their team happened to be the Chicago Bulls. Michael Jordan visited the house when it was opened in 1986. Ruth recalls that Michael’s mother “was a genuine lady who visited each year near Christmas with gifts for the children.”

In 1994, Ruth was chosen one of a 100 Women Making a Difference in Chicago.

In 1999, Ruth and Janis moved to Arizona where they lived for approximately thirteen years. For six of those years, the two worked at the Phoenix Ronald McDonald House helping with the house’s laundry. Ruth commented, “We are real experts at folding sheets and towels.”

Ruth reflected on this time by stating, “We are most grateful for the thirteen years at the Ronald McDonald House in Chicago and the later six years of helping at the Ronald McDonald House in Phoenix. Ronald McDonald House is our favorite charity.”

In addition to her daughter Janis, Ruth has two other children; Jill who is the Field Director of the Albany office for the U.S. Committee for Refugees and Immigrants (USCRI), and a son Michael who lives in Chicago. In addition to creative writing, Ruth enjoys board games such as Rummikub, jigsaw puzzles, and she watches Jeopardy religiously.

We consider Ruth and Janis the unofficial “Welcome Wagon” at The Beltrone. They are always there to make new residents feel at home.
